Dear Parent/Caregiver

Acknowledgement of Student Welfare and Discipline Policy

The development of the school's student welfare and discipline policy has taken place over a considerable period of time with involvement from students, staff, parents and the community. The policy has been developed from practices found to be successful at other schools, in particular Evans Head Public School and Woodburn Central School. It is based on documents produced by the Minister for Education: *Good Discipline and Effective Learning*, *Student Welfare Policy* and *The School Discipline Policy*.

Please read through the document and sign the tear off slip to indicate your agreement to work with the school in supporting the Policy. Comments regarding adjustments should be put in written form and forwarded to Mrs Hart at the school.

In anticipation, thank you for your support of the school in providing the best possible quality education for your child.
