End of Kindergarten Transition

Our incoming 2019 Kindergarten students have now finished their 5 transition sessions and are ready to start next year. We held a special assembly on Monday and they all received a certificate of completion. They performed an item with our current Kindergarten students.

Intensive Swimming Program Years 2-6

Our Intensive Swimming Program for **ALL students** in Years 2-6 begins on Monday next week. It will run **every day** for 2 weeks, Monday 26 November through til Friday 7 December. Students will need to dress in normal school uniform plus bring their **swimmers, towel, goggles, hat and sunscreen** each day. Please also bring a plastic bag for wet clothes.

If your child has a **season pass** or a Fitness Passport for Evans Head Aquatic Centre, please send the number with your child to school. **There is no cost** for your child as the school has funded the program through GONSKI and the P&C.

Surfing for Sport

A group of Year 4-6 students have had beautiful conditions for their surfing lessons for sport with Plenko over the last few weeks. They've had a great time!

Diary

Year 8 Sport - Aquathlon

All Year 8 will be doing Aquathlon for sport to end the year. The focus is on improving their cardiovascular fitness. Students will need to bring hat, sunscreen, swimwear and appropriate shoes. The students will walk to the river and complete a run / swim course catering for all levels of fitness.

Beechies at the Bowlo

Thank you to all the families who joined us on Saturday to enjoy a fun filled day at Beechies.

The weather gods were good to us and provided us a lovely day that was full of fun, activities and some amazing prizes.

Congratulations to everyone who was lucky enough to win something on the day and in particular our major raffle prize winner – Kathy Davey.

We would like to say a huge "Thank you" to our fabulous volunteers, without whom we would be unable to hold such a successful day.

We look forward to enjoying an even bigger and better event with you all next year!

Melissa O'Brien, P&C

Freaky Thursday Fundraiser

Thank you to everyone who supported Year 6's very successful fundraiser last week. Year 5/6W did a great job of running the activities and all the primary students had a lot of fun!

Zoe Warren

Jakob Willows Pracy's Woodwork Project

Jakob has done an amazing job carving some large timber coins, he even made sure that they were to scale. He did 1c, 2c, 5c, 10c, 20c, 50c, \$1 and \$2 coins. They are on display in the School Office and are well worth a look. Well done Jakob!

Year 12 Graduation Cake

Our School Captain Kalani Moss (from this year's Hospitality class) volunteered her time on the last 2 days of her HSC break to make the Year 12 Graduation cake. She was very excited to make and decorate it! Year 7 were also in the cooking room for their regular class and one of the students, Joseph Harcourt, spontaneously came over to help. Kalani was a Peer Support leader and Joseph was in her group so he felt comfortable to come over and help. This is a lovely example of students helping and supporting each other. Well done Kalani, and thank you on behalf of all of Year 12.

Nicki Belford

Year 12 Graduation Formal

Wow! What a way to celebrate the dedicated efforts of thirty five fabulous students over the past six years. On the 16th of November at 3:30pm, we met for photos over at Shark Bay. At 5pm the students and their partners began to roll up to the RSL club in a parade of fancy cars where many of the town's locals came to watch. After making their way up the red carpet they entered the air-conditioning and nervously waited for 6pm to come around.

The official presentation began at 6 as each

student entered the beautifully decorated auditorium. By 7.30pm it was dinner, speeches and the cutting of the cake to congratulate the class of 2018. The evening concluded at 9.30pm with students, partners, parents and teachers all dancing to the Nutbush.

It truly was a celebration that was made possible by so many. A huge thank-you to everyone for their input and assistance in making the evening such a success. A special thanks to Karen Warwick and Deb Pawsey for supplying and arranging the beautiful flowers and to Kalani Moss for creating a masterpiece for our cake.

Thank you. Mrs McGeary - "Former" Year Advisor.

CAREERS CORNER

The following resource and information is available at the schools careers website: www.evansriverk12careers.com

The Future of Work

On the home page of our school careers website is a short (2.52min) video that highlights how quickly the world of work continues to change through automation and artificial intelligence. Being aware of these changes can give an insight in maintaining and developing currency as young people prepare for their futures. Click [here](#)
