Southern Cross University – Head-Start

Congratulations to Lailarni Walker who recently graduated from SCU's Head-Start program. Lailarni is the first student from Evans River to be involved in this program.

Head-Start allows Year 11 and 12 students to undertake a unit of study at Southern Cross as part of their senior studies. Students are in normal classes with fulltime university students. By completing the Head-Start program, students are offered automatic entry into a number of University degrees after successfully completing their Year 12 school studies.

Lailarni studied Biology and was awarded a Distinction grade which is an outstanding result! She is now going to study a Bachelor of Biomedical Science at SCU Gold Coast campus. Congratulations Lailarni!

Kindergarten Write About Visiting the Ag Farm

Olley's Big Adventure: "I saw a goat and I saw a chicken. I saw a plover and it was flying. I saw a goat sneeze and I saw a rainbow lorikeet. I saw a cranky plover. We saw a crow and we heard a rooster. We saw a grey plover and we saw an eagle." *Olley Spencer*

Amelie's Adventure: "I went on a lovely walk and I saw some goats and they were fighting and they followed us. The goats were white and the other one was brown. We saw a plover. The plover was brown. The plover was angry. That was the best walk ever and that was fabulous!" *Amelie Lawrence.*

Heidi's Adventure: "I went and saw two goats, they were fighting and fighting. We saw a hen, it was saying broak, I didn't want to touch it. The hen was walking slow. We were walking for a long, long time. It took us a little while." *Heidi McLeod.*

Yahburri's Adventure: "I went for a long walk. I saw a white goat. He spat at me and Storm. He lives in a farm." *Yahburri Wilson.*

Jake's Adventure: "Today I went for a lovely walk and I saw a goat. The goat was white and they were fighting. Then I saw the plover. It was angry at us and she was trying to keep her babies safe. The rainbow lorikeet was in a tree and it was looking at me. The chicken had a red mohawk." *Jake Gow.*

Years 9/10 Wellbeing Day

Tuesday 11th September, years 9/10 participated in Wellbeing Day. We had a number of guest speakers present workshops on topics such as healthy relationships, mental health, team work, domestic violence and self care. The students had a wonderful day. Thank you to all involved in making the day such a success!

CAREERS CORNER

The following resource and information is available at the schools careers website: www.evansriverk12careers.com

Gap Year

A "Gap Year" is where you take a "year off" after your secondary schooling to do something else before you undertake further education and training (or full time employment).

Normally, people travel, work part time or do volunteer work, or a combination of these.

It is now a common practice to defer university for a year and undertake these activities before commencing university the following year. Students often use this time to work to gain "independent status" before going to university, however, I suggest you visit the Centrelink website to check on the current guidelines for this.

More information about gap years can be found on our website by selecting Post School Options > Gap Year/Volunteering or by clicking [here](#).
