CHS Boys Hockey

On Thursday 23rd August 2018, the Evans River boys hockey team travelled to Grafton to compete against Castle Hill.

Our boys played extremely well with great team spirit and sportsmanship, taking out the win 5-1!

We now travel to Lithgow in week 9 where we will compete against the top 8 teams in the state.

We would like to thank Mrs D'Anna and Sue Hunter for training and coaching us and to those parents for supporting us on the day—it is all greatly appreciated!

Marshall Brown, team member.

Congratulations

Ella Gillespie recently entered the Act for Kids Reconciliation Action Plan Art competition. It was open to artists 13 years and older nationally to create a beautiful piece of artwork to inspire and reflect their vision: "We want all kids to have a safe and happy childhood, free from abuse and neglect."

Ella's artwork, which she called "My Place" came first in the competition and will be used internally and externally as part of the RAP promotion. Ella is to be congratulated for her fantastic achievement!

PSSA Northern Rivers Zone Athletics Carnival

Last Thursday, 30 of our best athletes competed in our first PSSA Northern Rivers Zone Athletics Carnival held in Lismore. This carnival brought together around 1000 students from over 50 schools! Congratulations must go to the organisers of this carnival for an extremely well-run event.

Our students had some excellent results:

Jack Semple – 1st in the senior boys' 200m, 4th in the 12 year old boys' 100m
Oliver Arragon – 2nd in the 11 year old boys' 800m, 3rd in the 100m and 200m
Myriam Weekes – 2nd in the 9 year old girls' 100m, 4th in the Junior girls' 200m
Kyla Flaherty – 3rd in the 11 year girls 200m
Kaden Levett – 1st place in the AWD 100m, shot put and discus events
Blake Mumford – 3rd in the senior boys' 800m

Our senior girls' relay team of: Holly Williamson, Kyla Flaherty, Lily Pollack and Charlotte Daly qualified for the final in 2nd place, and our junior girls' relay team consisting of: Myriam Weekes, Dana Collingburn, Leesy Forsyth and Mia-Jo Henderson qualified for the final in 3rd place. Both teams had some baton change trouble and finished in 6th and 7th place in their finals. So close!

The first 4 places in the track events represent the zone at the PSSA Regional Athletics Championships in Lismore on the 14th September. We wish Jack, Oliver, Myriam, Kyla, Kaden and Blake the best of luck!

Fiona Fields

Year 3/4E Science

Mrs Elliot's class have been writing about different procedures in class. We were lucky enough to watch Wyatt do his very own procedure - making a Berocca Rocket "WOW!"

Kylie Elliot

Free BBQ Breakfast

Come along and sign up for the **Fair Funding Now! Campaign**. There will be a FREE BBQ breakfast and barista coffee for parents and teachers on Friday September 7th at 7:30am at Evans River Community School in the senior cola.

Mark Robertson, Secretary, Councillor and FEDREP for Mid-Richmond Teacher's Association NSWTF.

Tournament of Minds

Congratulations to our Tournament of Minds team who performed at Kingscliff on Sunday. The judges said they were one of the best teams! What an awesome group of students: Abbie Yourell, Frankie Morrison, Lily Pollack, Ailie Macgregor, Will Weekes, Caelan Cooper and Baylee O'Brien.

Fiona Fields.

PETS ON PARADE PICNIC

Children are invited to come dressed as a farmer to support our fundraiser for the drought appeal

- **WHO:** Preschoolers, K-2, new enrolments are all welcome

**GAMES, COLOURING IN, SONGS
FACE PAINTING, CRAFT ACTIVITIES**

3/4C Creative Writing-The Ice Man

Using a "Pobble" story starter, Year 3/4C all started with the same few sentences and stimulus picture to inspire them to write their own creative writing piece about the Ice Man.

"It was a bitterly cold morning. The world was locked in a wintery battle, with a whirlwind of frost and snow marching all over the countryside.

This winter was different to a normal winter. This winter was coming alive.

The Ice Man turned his frosted face from side to side, and stretched and flexed his icy fingers.

Everyone was shivering but the Ice Man was not. Everyone yelled for help but there was no answer. They were still scared." *Leesy Forsyth.*

"It was a bitterly cold morning. The world was locked in a wintery battle, with a whirlwind of frost and snow marching all over the countryside.

This winter was different to a normal winter. This winter was coming alive.

The Ice Man turned his frosted face from side to side, and stretched and flexed his icy fingers as he awoke! This was a very bad sign because when the Ice Man comes alive he makes winter as cold as the Antarctic.

It was FREEZING! No matter how much your heaters are turned up, you are still going to be freezing! I was so cold that I thought I was out in the snow in a T-shirt and short pants!

THUMP! The ground vibrated." *Bijou Blore-Jones*

"It was a bitterly cold morning. The world was locked in a wintery battle, with a whirlwind of frost and snow marching all over the countryside. This winter was different to a normal winter. This winter was coming alive.

The Ice Man turned his frosted face from side to side, and stretched and flexed his icy fingers and said "Ahhh, another nice winter!" So he set off into the world. "Hello world!" he exclaimed. So he went and had some breakfast, but later found out that it was closed. "Wahhh!" he cried, wiping tears off his face. He was starving now because he hadn't eaten since last winter, seeing as he had to hide in a cave to stay away from the heat and not melt.

He went wandering around the city but it was very quiet, and then he realised the town was frozen so he wondered where was everybody on this nice cold day. Suddenly a head popped out of a window, "Arghh!" screamed a lady covering her eyes. "A monster!" screamed another person." *Milly-Rose Tregidgo*

The following resource and information is available at the schools careers website: www.evansriverk12careers.com

University – Early Entry

Many universities use schemes other than the ATAR to gain entry into their courses. The criteria for these vary from institution to institution. Some are based on school recommendations while others look at a student's community involvement. Often offers are made prior to the release of the ATAR's, hence the name "early entry".

A comprehensive list of all the schemes can be found by clicking [here](#) or by going to the school website and selecting: Post School Options > University > Early Entry Schemes.

Chris Hayward, Careers Adviser
