Kindy Transition

Over the past four Thursday mornings we have had our school Kindergarten Transition Program running. During this time we have been very busy exploring Evans River K-12 School facilities. The first week we had a tour of school visiting the Kindergarten classroom, the Library, the Office and the K-6 playground. The second week we had a tour of the school farm with Mrs McGeary. The third week we walked Ngulingah Yurroon with Uncle Craig and we got to walk over the bridge that the Green Team is building out there. The final week of transition, we got to visit the high school science labs with Mrs Warwick and saw an awesome experiment! Congratulations to all the students who completed the 2020 Kindergarten Transition Program; we can't wait to see you all next year!

Monique McLean, Kindergarten Teacher

IMPORTANT NOTE

Please be reminded that students are **NOT** to arrive at school before **8:30am** as there is **NO SUPERVISION prior to this time.**

Diary

Week 8 Term 4 - Week A

	7-12 Platinum Award & SRC Excursion	
16 Dec	Last day for students	

P&C Christmas Raffle

Tickets have now gone home for the P&C Raffle. Please support us by selling and returning your tickets and money to your class teacher by Friday 11th December. Tickets are \$2 each and there will be a prize of 4 x \$5 canteen vouchers for the student who sells the most tickets. The winner will be drawn at the Awards Assembly on Monday 14th December.

We are still accepting donations at the front office if you would like to contribute items to the hamper to be raffled.

Thanks, P&C Fundraising Committee

Flowers for Meals on Wheels

Jack Whittaker and Lilli Butler-Mann, two of our students who volunteered for Meals on Wheels this year, thought it would be a lovely gesture to share some of the beautiful flowers from the Year 12 Graduation dinner with one of the members of our community.

Art from 5/6B

Mr Butler's class have produced some great artworks inspired by Spanish surrealist artist, Salvador Dali, who had a fascination with his moustache.

Year 4-6 Surfing

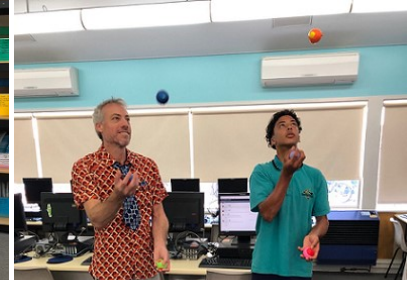

Over the last 3 weeks, a group of 33 students from Years 4-6 had the opportunity to participate in surfing lessons with the "Evans Head Surf Shack" during our sport time. All of the students that participated have had an amazing time and have developed their surfing skills and abilities to keep them safe at the beach.

OT Buddies - Juggling Balls

Last week in our OT Buddies groups, high school students helped primary students make juggling balls out of balloons and rice to help them develop their fine motor skills. Jeremy and Shelley demonstrated their juggling skills for the students.

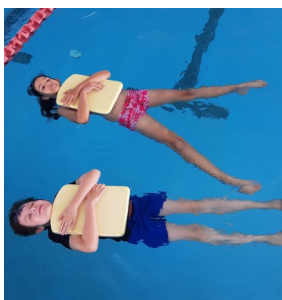

"Three" Performance for K-6

On Wednesday, our K-6 students attended an engaging live adaptation of Stephen Michael King's book "Three" in the Performance Hall. The focus was on acceptance (regardless of how many legs you have) and gratitude for what you have rather than complaining about what you don't have. The performance was complimented by special activities in the Library with Mrs Wythes and Mr Cornish.

Intensive Swimming

This week our Intensive Swimming Program began for all students in Years 2-6. This is a fantastic program that is subsidised by the School and the P&C to give students the opportunity to learn to swim, improve their technique and to learn about water safety. Living where we live, so close to the beach and the river, it is vitally important that children grow up with an awareness of being safe in and around the water.

Careers In Design

Design covers a multitude of areas including furniture, jewellery, textiles, industrial, interior, graphic and digital.

The link below will take you to the Design Institute of Australia that has various links to careers in all of the design areas. Click [here](#)
