Year 6 Dinner

As a student goes through their schooling, there are particular moments which are landmarks in their progression. Rights of passage if you like. In these moments we often see students step up to the mark. On Monday night our Year 6 of 2022 graduated from their primary schooling and, in doing so, declaring their readiness for high school. It was a special time, with support from their parents and teachers and students presented themselves superbly and, given the circumstances of their final three years of primary school, were roundly congratulated on their learning outcomes and personal growth. Well done Year 6. Congratulations on reaching the end of primary school. Thank you for making it such a special night. Thanks to Year 6 teachers Mr Fields, Ms Levy, Mrs Geggie and Ms Warren. We look forward to working with Year 6 as classmates of the Year 7 of 2023.

Rob Walker - Principal

IMPORTANT NOTE

Please be reminded that students are **NOT** to arrive at school before **8:30am** as there is **NO SUPERVISION** prior to this time.

Waratah Award Indoor Rock Climbing

This week, the Stage 4 Waratah Award students set themselves a range of challenges on the bouldering and high walls at the Climbing Jungle in Ballina. Tight forearms, blistered hands and big smiles showed they were all up for it. Looking forward to the next set of challenges in the new year!

Breakfast Club

Are you able to give 1 hour a week to keep the Breakfast Club running?

Our P&C is no longer funded to have a school staff member to run the Breakfast Club each morning. But the good news is we still have all the food being donated—we just need someone to turn the bread into toast and put the vegemite on!

The kids love a bit of extra brekky in the morning and some rely on it after a long bus ride to school. It will be a shame if we can't keep Breakfast Club going in 2023!

We are looking for a parent / caregiver to come along once a week between 8:20am-9:20am on either a Wednesday, Thursday or Friday in Term 1. If you would like to offer a hand or even just to find out more, please contact the Office on 6682 6666.

We promise - being the one that feeds many hungry, grateful mouths will be the best start to your day!

STEP Co. Wax Wraps & Keyrings

The STEP students have been busy making beeswax lunch wraps and gumnut keyrings for sale at the Office. \$15 for a pack of 3 wraps and \$5 for a gumnut keyring. These make great Christmas presents. CASH ONLY.

Waratah Bud Beach Clean Up

Waratah Bud students walked to Main Beach yesterday to participate in a 'Beach Clean Up'. The 'Beach Clean Up' was part of the Waratah Bud Award, developing competencies in National Volunteering. The organisation we supported as part of this journey was ['Take 3 for the sea'](#) who encourage everybody who visits the beach to take 3 pieces of rubbish home with them.

Students split into two groups to tackle the beach and park. We found lots of litter and students felt good about making a difference to our local environment.

We look forward to more expeditions with our Waratah Bud students in 2023.

Music Ensemble

For the past 3 weeks, selected students from Years 2-8 who participate in our instrumental music program, have been working on a range of ensemble music pieces with their tutor, Mark Bromley. On Tuesday, these students presented their pieces in an informal concert that was held during the lunchtime in the Primary School playground area. This was a pilot program that we are hoping to expand in the coming years. After only three rehearsals, students presented a wonderful range of musical items. Many supportive parents and community members attended and it truly felt like the start of something wonderful. Well done to all of our performers and thank you to all those who attended. We look forward to expanding this program in the future.

Emergency Services

There are a wide range of careers available in the various branches of the Emergency Services (not just the obvious ones like Police Officers, Firefighters and Paramedics). There are also many careers available in support roles as well.

The link below will take you to the careers/recruitment pages of the various services in each state. [Here](#)
