2/3 Jingir Jingir

Students in 2/3 Jingir Jingir have been busy working collaboratively in a group to design and construct an arcade game in Science. Their arcade game had to be made from recycled materials and use a push or pull force to play. Students had a great time testing their own games as well as playing each other's games.

K-6 Cross Country

Our annual K-6 Cross Country will be held on Friday 12th May beginning at 11:30am, weather permitting. Parents and carers are most welcome to attend. Please sign in at the Office. **Come dressed in house colours.**

Year 8 Tiger Island

Year 8 students studying Indonesian had the opportunity to go to Dreamworld to visit the Sumatran tigers at Tiger Island. Through studies in Indonesian, students learn about the various tigers at Dreamworld and the plight of the endangered Sumatran tiger. Students also enjoyed the rides and thrills of the park.

UNE Open Day Visit

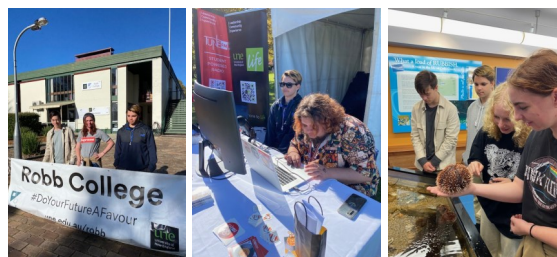

In the second week of this term Mr Hayward took a small group of Year 12 students to University of New England's Open Day in Armidale. We took a small bus and joined students from Lismore High School.

On the way we stopped at the National Marine Science Centre in Coffs Harbour before having a tour of the Southern Cross University Campus. They provided a free lunch before heading up the range to Armidale.

When we arrived in Armidale we were taken to Robb College where we were staying the night.

Both dinner and breakfast were provided by the university in student college accommodation. Following breakfast on the Friday we were free to roam the university, taking tours of the campus, talking to students and lecturers about courses we were interested in and getting a general feel for the place.

The whole trip was a great opportunity and well worth it. Thank you to Mr Hayward for organising it for us. *Ruby Scott, Yr 12.*

K-6 Peer Support

Next Monday, students from Year 1 to 6 will begin participating in our annual Peer Support program as part of their Personal Development and Health program. The Peer Support program provides a fun and engaging opportunity for students to learn about issues such as bullying, relationships and self-image. Students in Year 6 will lead students from Years 1 to 5 in a series of weekly lessons. This year, the program delivered by the Year 6 students is called Stronger Together - A module focusing on Anti-Bullying. This week students started their training program in preparation for the Peer Support program to begin next week.

Len Diett Round 1 & 2

This week the Evans River K-12 Under 13 and Under 15s Rugby Union teams competed in round 1 and 2 of the Len Diett Shield. The Len Diett Shield is a Northern Rivers high school Rugby Union competition with 8 schools currently competing.

On Monday our teams took on Lindisfarne Anglican College at Evans with the U/13s playing first. Judah Heath opened the scoring with a brilliant solo effort to put Evans River ahead. This sparked our Tweed opponents into action with their backline lighting the oval up moving the ball extremely well and scoring some excellent tries. Evans rallied hard and eventually went down 44-10.

In the U/15s it was a seesawing battle with Lindisfarne going out to an early lead with some strong forward play, however Evans bounced back with some slick back plays seeing Latrell Gordan scoring a hat-trick. In the end Lindisfarne took out the game winning 22-17.

On Wednesday it was round 2 and again we played host, this time to Emmanuel Anglican College. In the 13s, Emmanuel were short players, with Evans River showing excellent sportsmanship lending them players to ensure

they had enough for a game. Evans started slowly with Emmanuel dominating early and scoring 3 quick tries. In the second half Evans rallied together with Hayden Graham, Charlie Comerford and Riley Mason having an outstanding game to keep Evans in the contest. Unfortunately, Emmanuel was too strong taking the game 29-12.

In the U/15s Evans started strong with some hard running from Max Ticknor, Luke Stewart, Hunter Sykes and Lachlan Swansborough making metres with ease. This set the platform for our classy backline lead by Cooper Pendrigh to tear Emmanuel apart and set up some amazing team tries. Jordan Koroheke was excellent at lineout time and lead the team around the park with aid from Brad Felsch. In the end most of the game was one way traffic with Evans scoring 7 tries winning 37-0. An outstanding team effort, putting the rest of the competition on notice.

A big thankyou must be made to Mr Walker, who refereed both games on Monday and Wednesday. Mr Burrows who warmed the teams up in his strategic consultancy role also need special mention. Next week our teams take on Woodlawn on Wednesday at Evans River. Best of luck to all involved, no doubt you will proudly represent Evans River K-12.

Year 9 Textiles

Year 9 have finished their first textiles project. Students learned a range of colouration and decoration techniques last term, including dyeing, screen printing and hand embroidery. They then gathered inspiration and designed a bag. They look amazing! Well done Year 9.
